

## How To Find Nemo

**Travelling from the M42:** Leave at junction 10 and follow the A5 towards Nuneaton. Follow this road through Dordon and Grendon, until you see the sign on the left for Atherstone town centre. As you enter the town centre, follow the road to the right along Station Street and into South Street. Take the first left immediately after Somerfield supermarket and the zebra crossing, into a council car park where you will see two gate entrances at the end. Nemo is the gate on the left.

**GPS/Sat Nav Users:** Please use South Street postcode **CV9 1DE** to access our car park
