

How to Find Nemo

Travelling from the M69: Leave at junction 1 and follow the A5 towards Tamworth. Follow this road until you see the sign for Atherstone town centre (B4116), at the first mini roundabout turn left and at the next roundabout turn right. Approximately 100 yards on the right, before the zebra crossing, turn into a council car park where you will see two gate entrances at the end. Nemo is the gate on the left.

GPS/Sat Nav Users: Please use South Street postcode CV9 1DE to access our car park
